

This book is a radical exploration of the mystical teachings in the Gospel of John. It helps the reader to experience these spiritual truths for themselves, and go beyond the everyday mind which is dominated by the ego and realize their eternal Being, which John's Gospel calls Logos.

By approaching the teachings in a meditative state, the symbolism contained within the Greek text opens out and comes alive in the present moment. The Gospel is not a historical document; it speaks directly to each person now and the states of consciousness represented in the stories are accessible now. The book contains guided meditations to help bring this to life for the reader.

STEVE POPE has been a practicing mystic in the Kabbalistic tradition for over thirty years. He has a B.D and MA in Theology and translates Greek and Hebrew Biblical texts.
